WORK EXPERIENCE

SpaceXAI | Boston, MA

AI Design Specialist | Contract

Evaluate and improve AI-generated design and creative outputs, writing prompts and detailed feedback on concept strength, visual hierarchy, brand fit, and storytelling quality. Apply a designer's eye to review outputs, identifying recurring quality gaps and documenting what makes creative work effective. Translate creative direction into clear, structured guidance for AI systems, drawing on hands-on experience with AI-assisted concept exploration, presentation building, and creative research.

Publicis Groupe (AB InBev, TCL, HONOR) | Providence, RI

E'commerce & Campaign Design Intern | Jun.—Aug. 2024; Jun.—Sep. 2025

Developed social-first campaign concepts, presentation mockups, and e-commerce creative for AB InBev, HONOR, and TCL with creative, production, and account teams. Created and versioned 52 cross-platform assets for AB InBev across Alibaba livestream, paid media, and feed placements (9.5M impressions, 247K clicks). Used AI-assisted workflows to speed up concept exploration and production while protecting craft and brand fit; built reusable templates for high-volume delivery.

Freelance Graphic Designer | Shanghai, China

Brand & Visual Designer | Sep. 2022—Sep. 2026

Built brand identities, campaign assets, websites, pitch decks, social templates, and launch materials for Goomi, Brown University, Kangrui, and FreshCut Paper. Created repeatable visual systems across web, social, presentation, and print touchpoints from concept through final delivery. Selected Projects: Goomi — mascot-driven identity system, character world, social/web templates; Brown University Lab — research visuals, pitch decks, diagrams, stakeholder-facing materials; FreshCut Paper — campaign/lifestyle creative direction and product storytelling.

RISD Museum Spalter Fellowship | Providence, RI

Design & Experience Fellow | Sep. 2024—Jun. 2026

Designed guidebooks, campaign assets, presentations, and audience-facing materials for museum, K–12, and public programs. Translated complex cultural content into accessible visual stories through typography, hierarchy, editorial structure, and graphic systems. Led weekly sessions for 200+ participants and iterated materials based on audience feedback and stakeholder needs.
