## BRAND & PRODUCT GRAPHIC DESIGN | PRINT & VISUAL SYSTEMS

Multidisciplinary designer with 3+ years of experience creating brand systems, original graphics, product storytelling, print materials, presentation decks, launch assets, and production-ready visual systems. Skilled in Adobe Illustrator, Photoshop, and InDesign, with hands-on experience translating research and creative direction into polished concepts across digital, print, packaging-related, and physical-product touchpoints. Experienced managing fast-turn projects, multiple visual directions, cross-functional feedback, and final production details with strong attention to color, scale, layout, and consistency.

## EDUCATION

## WORK EXPERIENCE

**Publicis Groupe (TCL, Honor, Shenzhen Tourism)** | Shanghai, China

Brand & Campaign Design Intern | Jun.—Sep. 2025

Translated briefs, audience insights, and visual research into moodboards, creative concepts, key visuals, presentation decks, posters, and launch assets for global consumer-facing brands. Developed 20+ visual directions and concept explorations weekly, supporting fast-turn creative development and culturally relevant brand storytelling. Built HONOR Magic V5 product-launch visuals across posters, social content, and short-form concepts, maintaining consistency across product features, color, typography, and imagery. Partnered with creative, strategy, account, and delivery teams to present directions, incorporate feedback, and move work toward polished final execution.

**Freelance Graphic Designer** | Providence, RI

Brand & Visual Designer | Sep. 2022—Present

Created brand identities, original graphics, product storytelling, pitch decks, launch materials, social templates, and print-ready assets for FreshCut Paper, Goomi, Brown University, and independent clients. Supported FreshCut Paper across product imagery, instructional graphics, packaging-related touchpoints, product presentation, lifestyle content, launch assets, and digital/print adaptations. Developed reusable visual systems using typography, color, illustration, graphic motifs, and clear information hierarchy across physical-product, presentation, web, and social formats. Managed multiple projects from concept development and stakeholder feedback through organized file delivery and production-ready output.

**RISD Type Shop & RISO Print Technician** | Providence, RI

Print Production Technician | Sep. 2023—May. 2026

Prepared production-ready artwork and supported print workflows with close attention to color, scale, registration, material behavior, file setup, and final output quality. Proofed layouts, identified production issues, organized print assets, and adjusted artwork to improve accuracy and consistency. Built hands-on knowledge of print execution, troubleshooting, and how graphic decisions translate from screen to physical output.

**RISD Museum Spalter Fellowship** | Providence, RI

Design & Experience Fellow | Sep. 2024—Jun. 2026

Designed guidebooks, campaign assets, presentations, and audience-fac ing materials for museum, K–12, and public programs. Translated complex cultural content into accessible visual stories through typography, hierarchy, editorial structure, and graphic systems. Led weekly sessions for 200+ par-ticipants and iterated materials based on audience feedback and stakehold-er needs.

**Publicis Groupe (AB InBev)** | Shanghai, China

E-commerce Campaign Design Intern | Jun. 2024—Aug. 2024

Produced and versioned 52 shopper-facing campaign assets across Alibaba livestream, paid media, brand-zone, and feed placements, supporting an AB InBev rollout tied to 9.5M impressions and 247K clicks. Maintained strong typography, visual hierarchy, message clarity, brand consistency, and production accuracy across high-volume digital deliverables.
