UX DESIGN | AI-NATIVE EXPERIENCES

UX designer with 3+ years of experience translating complex ideas into intuitive digital experiences, scalable visual systems, and high-fidelity customer-facing assets. Experienced across concept development, interaction design, rapid prototyping, feedback-driven iteration, and production-ready execution. Comfortable working in ambiguous, fast-paced environments and using Figma, Adobe Creative Suite, motion, and AI-assisted workflows to move ideas from early exploration to polished outcomes.

WORK EXPERIENCE

Hangzhou Yulian Technology Co. Ltd | Providence, RI

Visual Creative Intern | April 2025—July. 2025

Designed website and interface assets for an AI-focused company, translating technical concepts into clear, cohesive digital experiences. Developed high-fidelity visuals and reusable interface patterns, iterating on structure, hierarchy, and content presentation to strengthen usability and consistency across product and brand touchpoints.

Freelance Graphic Designer | Boston, MA

Product and Graphic Designer | Sep. 2023—Present

Designed brand systems, websites, digital experiences, and presentation materials for KANGRUI NEW MATERIALS, GOOMI ACADEMY, BROWN UNIVERSITY, and FRESHCUT PAPER. Translated ambiguous client goals into clear experience directions and scalable visual systems, independently moving projects from discovery and concept development through feedback, refinement, and final delivery.

Publicis Groupe (TCL, Honor, Shenzhen Tourism) | Shanghai, China

Advertising Design Intern | Jun.—Sep. 2025

Designed campaign experiences, UI screens, key visuals, motion concepts, and digital assets for HONOR, TCL, and Shenzhen Tourism. Translated product features and campaign strategy into cohesive customer journeys and cross-platform visual systems. Collaborated with multidisciplinary stakeholders, rapidly incorporating feedback while maintaining clarity, consistency, and production quality.

RISD Museum Spalter Teaching Fellowship | Providence, RI

Design & Experience fellow | Sep. 2024—June 2026

Designed interactive guidebooks, workshop experiences, and audience-facing materials for public programs and K–12 engagement. Synthesized complex educational content and participant feedback into clear visual frameworks, then iterated layouts, activities, and communication systems for accessibility and engagement. Facilitated weekly programs serving approximately 200 participants.

Publicis Groupe (AB InBev) | Shanghai, China

E-commerce Advertising Intern | Jun. 2024—Aug. 2024

Created and coordinated 220 e-commerce assets across 52 configurations and four digital platforms, contributing to 9.5M impressions and 247K clicks. Worked within a rapid design-to-launch workflow, balancing platform requirements, brand consistency, business goals, and shifting priorities across high-volume deliverables.

Shanghai Arts & Crafts Factory | Shanghai, China

Marketing and Creative | June. 2023—Aug. 2024

'23 Shanghai Tourism Festival: parade-float co-designer (AI dimensions, 3D modeling, tri-view). Mini-J: brand identity system. Only intern with return.
