English, Mandarin, Cantonese

EXPERIENCE

Publicis Groupe (HONOR, TCL, Shenzhen Tourism) | Shanghai, China
Advertising Design Intern | **Jul 2025–Sep 2025**

- **HONOR Magic V5 "One More Thin" Launch · sold out in 48 hours:** Product imagery, key visuals, and posters with one selling point per asset in 4:5 feed and 9:16 story formats, plus storyboards for the four-film series on HONOR's global TikTok (9.2M views).
- **TCL Milano Cortina 2026 Seasonal Campaign · +30% engagement:** Motion posters pairing Olympic relay cities with TCL products, plus email campaigns and in-mall event graphics.
- **Amazing Shenzhen Identity System · layouts, graphics, and systems:** Bilingual type system, custom lettering, and poster frameworks across five social platforms and transit screens.
- **Weekly Reviews & Pitch Rounds · 20+ explorations a week:** Built mood boards, visual treatments, and design presentations with art directors, strategy, and account teams, applying directional feedback.

SpaceXAI | Boston, MA
AI Tutor - Design Specialist | **Contract · Oct 2026–Present**

- **Grok Imagine Product Imagery QA · generative design tools:** Judge AI-generated product imagery, key visuals, and layouts for composition, lighting, color, typography, and brand fit.
- **Reference Examples & Quality Rubric · co-built with engineering:** Refine, retouch, or recreate weak outputs into reference examples, and wrote rubrics for mediocre, good, and excellent design.

ChatEZ (Hangzhou Yulian Technology) | Providence, RI
Founding Product Designer | **Mar 2025–Mar 2026**

- **ChatEZ Brand Refresh & Launch · 1,000+ users at launch:** Refreshed the logo, mascot expressions, and sticker set, animated the logo and mascot, and produced App Store screens, posters, and short-form launch videos (98% satisfaction).

Freelance | Providence, RI / Boston, MA
Brand & Visual Designer | **Sep 2022–Sep 2026**

- **Goomi Academy Brand & Mascot System · logo to 3D animation:** Built the identity from logo brief to an illustrated 3D mascot animated in After Effects, extended across web, social, packaging, merch, and event graphics.
- **FreshCut Paper Campaign Imagery · 1–2 weeks to one day:** Midjourney and ComfyUI experimentation for lifestyle campaign imagery, checking every image for product accuracy, color, and composition.
- **Kangrui New Materials & Brown University Lab · concept to completion:** Turned technical content into clear pitch decks, brand assets, and print collateral for several clients at a time.

RISD Museum | Providence, RI
Spalter Teaching Fellow | **Sep 2024–May 2026**

- **K–12 Guidebook · conception to completion; 5,000 copies:** Editorial grid, typography, two covers, and illustrated activity pages in InDesign, with prepress and binding for the print run.
- **Interactive Exhibits · AR/VR, 3D printing, and touchscreens:** Designed hands-on exhibit experiences for kids and presented weekly to about 200 students, refining from feedback.

Publicis Groupe (AB InBev) | Shanghai, China
E-commerce Advertising Intern | **Jun 2024–Aug 2024**

- **AB InBev Alibaba Storefronts · 52 assets, 9.5M impressions:** Versioned one campaign look across four retail placements and every size, translating brand guidelines into clean mobile layouts (247K clicks).
